

Conversion from Group

Life is full of changes. Some are planned, some are not. One day, you have the security of a group healthcare plan to help fill the increasing gaps left by your provincial health insurance plan coverage. The next, whether through a career change, retirement or job loss, your benefits are gone, and you have to pay for routine medical expenses such as prescription drugs, dental services, prescription eyewear and chiropractic visits, out of your own pocket.

Gain the security of knowing your healthcare needs will be covered; regardless of what path in life you take.

To complicate matters, you know that if an accident or illness were to occur, the significant out-of-pocket medical expenses you would have to pay in addition to those everyday healthcare bills, could quickly leave you in financial jeopardy.

Gain the security of knowing your healthcare needs will be covered; by converting your group policy to a personal plan.

There are Health Insurance options available to ensure that you and your family can maintain many of the benefits you enjoyed under your group health plan. A great feature, as long as you apply within sixty days of your group health benefits ending, your acceptance is guaranteed – without a medical questionnaire or exam.
